

ST. JOSEPH'S IS MAKING IMPROVEMENTS IN 2024/2025

Our Aims:

- To be **successful learners** by working together as a team, creating a school with a spirit of love where everyone tries their best.
- To be **confident individuals** who are resilient and a positive attitude in all that we do.
- To be **responsible citizens** who care for others by looking after each other, our community and our planet.
- To be **effective contributors** who make choices about our class and our school, preparing us for adult lives.

Raising attainment in numeracy:

Cluster working

Building Thinking Classrooms

Numeracy champs

interventions

Number Talks

Higher-Order Thinking Skills

Outdoor and Real-life Contexts

Outdoor and Real-life Contexts
